

SAVORING
ART DE VIVRE

ART DE VIVRE WITH INFINITE POSSIBILITIES

We are yacht builders, creators of dreams.

INTRODUCTION

Erwin BAMPS, PRESTIGE Vice President

For over 30 years, PRESTIGE has been creating exceptional yachts to match the aspirations of yachting enthusiasts all over the world.

Our yachts provide an answer to those who seek to navigate safely any of the seven seas, and prefer to do this in style and luxurious comfort. Offering maximum connectivity with the blue expanse, the large window areas and easy circulation around the vessel promote a true al-fresco lifestyle, blurring the line between indoor and outdoor living areas. We design, engineer and manufacture smart vessels, optimized to provide you the comfort of a home away from home.

The material selection invites to touch; the light-filled interior relaxes and rejuvenates; the ample space onboard tempts you to stay even longer at sea.

To achieve this, we have surrounded us with a select group of partners and suppliers that embrace the same passion for excellence. Working closely together, we are able to apply new technologies that enhance the life onboard and discover new materials that offer additional comfort and enjoyment.

It is our belief at PRESTIGE that, every now and then, everyone deserves a chance to recharge their batteries far from the hectic hustle and bustle of daily life, so that they can focus on what is really important - family and friends.

It's the reason we wake up every morning - to build yachts with the aim of bringing people into the water, connecting them, creating moments they will never forget.

And that in some of the most spectacular surroundings on this planet.

Erwin BAMPS, PRESTIGE Vice President

“ Our challenge was to invent a new style of yacht... and where, on board, we could feel as if in a loft, as if on an island in the sea... ”

We design exceptional yachts, the reflections of a creative vision that has always driven us: the desire to create something lasting; timeless and always contemporary.

Vittorio and Camillo GARRONI

“ Unique interior design to inspire your next voyage. ”

Valentina MILITERNO DE ROMEDIS

Valentina MILITERNO DE ROMEDIS, the founder of The LAB Project, creates elegant design solutions by carefully selecting the best color combinations and associations of textures and materials. Refined interiors and trends that enhance comfort and well-being on board.

A REVOLUTIONARY CONCEPT

PRESTIGE and Garroni Design create a revolution in space and movement.

Redistribution and blending together of interior and exterior living spaces by greatly increasing the cockpit size.

The X-Line enhances circulation and optimize space on the main deck.

// This combination of architecture and layout is unique and provides an unparalleled experience. //

This new concept in space offers ease of movement and increased comfort. Integrating a full Beach Club into the aft platform providing additional entertaining space and a proximity to the water.

PRESTIGE REINVENTS SPACE ONBOARD

YOUR OWN PRIVATE ISLAND

The X-Line range redefines space, light and luxury with an emphasis on hand-selected materials and exceptional fit and finish.

Never before has the combination of innovative layout, bold lines and enhanced comfort been brought together in yacht this revolutionary.

Entertainment spaces flow throughout the flybridge and main deck and a wide-body master stateroom ensures sumptuous living.

Our yachts are designed to take you to where you want to be.

Motorisation technologies provides smooth, fuel-efficient cruising with exceptional maneuverability.

A PASSION FOR DESIGN

PRESTIGE IS THE PROMISE OF A DREAM, TO TAKE TO SEA AND ALWAYS FEEL AT HOME

Your private villa on the water. To ensure a lifestyle that blends interior and exterior living with a touch of luxury, PRESTIGE collaborated with select design partners.

From luxurious leathers to plush sofas, from relaxing seating to comfortable lounging, every detail is tailored to enhance life onboard.

A PASSION FOR DESIGN

R O D A

**PAOLA
LENTI**

“ An eco-responsible attitude with a high level of commitment. ”

An eco-manufacturing approach: an environmentally responsible process and the use of products with a low impact on the environment. Reduced consumption and emissions.

Fair trade & responsible commitment to the world's forests: use of natural materials.

INFUSION

Which traps solvents and prevents release of volatile organic compounds into the air. Core materials made for recycled plastics.

ECOLOGICAL PRODUCTS

Varnishing: low level of solvents and curing by UV lamps.

SUSTAINABLE WOOD

sourced from responsible management of the world's forests.

NATURAL MATERIALS

Fair-trade, bio/organic materials for bedding.

ENVIRONMENT

ECO PARTNERSHIP

Mona Lison (organic bed linen) -
Villeroy & Boch (energy efficiency
and choice of raw materials) -
Foglizzo (preserves the natural
beauty of leather).

ECO DRIVE

Significant reduction
in exhaust emissions:
30% less fuel consumption
and 40% more autonomy.

RECOGNIZED LABELS

Certified for the quality of
conception and construction,
for environmental protection.

SERENITY

First class warranty: now
and for the future.

Combine ecology
and economy.

The search for committed,
ecologically sensitive partners:
a high-end, ethical and organic
alliance.

An engine system that
provides maximum power and
maneuverability while reducing
fuel consumption.

Trust and reliability: worldwide
renowned certifications and a
world-class warranty.

Let yourself be captivated
by the whispered luxury of
the PRESTIGE X-Line.

ENGLISH / standard equipment

Exterior upholstery

- Natte taupe chalk
- Sunbrella nature grey

Woodwork

- Walnut interior woodwork

Deck

- Stainless steel stem head fitting with anchor roller
- Anchor stop
- Electric windlass with wired remote in anchor locker (24V)
- Windlass controls at lower helm and flybridge
- Anchor locker with dedicated space for fender storage
- Stainless steel cleats (10)
- Stainless steel handrails
- Stainless steel rail
- Courtesy LED lights on sidedecks
- Mooring kit
- Anchoring kit

Bathing platform

- Teak-laid bathing platform
- Hot and cold shower
- Stainless steel bathing ladder

Cockpit

- Island lounge with weighted backrests
- Coffee table in cockpit on stainless steel legs (1)
- Teak-laid cockpit flooring + port side deck
- Stainless steel ladder to flybridge
- Transom safety gate
- Access hatch to the engine room with gas struts
- Transom safety gate
- Lateral door in coaming
- 2 marine stereo speakers
- Overhead LED lighting
- Courtesy LED lighting

Flybridge

- Helm console with engine throttles and maneuvering joystick, compass, 12V plug, cup holders and storage compartment
- Navigation electronics including: Autopilot, VHF, 1 multifunction screen 12"
- Helm station bench
- Stainless steel guard rails
- Perspex windscreen
- Exterior dining table and 4 dining chairs
- Island lounge with weighted backrests
- Seating area
- 2 marine stereo speakers
- Galley with corian furniture, wood doors, storage, grill & fridge
- Courtesy LED lighting
- Hardtop

Interior helm station

- Helm console with engine throttles and maneuvering joystick, full engine instrumentation, compass and cup holders
- Navigation electronics including: autopilot, VHF, 2 multifunction screens 12"
- Upholstered two-person helm bench
- Lounging area to port
- Windscreen wipers with intermittent setting and washers
- USB plugs
- Horn

Saloon

- Opening bay window on port side
- 2 sofas Desert Beige - light Beige fabric
- Sliding lateral door to starboard
- Aluminum venetian window blinds
- Handrails with handstiched Foglizzo leather wrap
- Natural hardwood oak flooring
- Radio / CD / MP3 with Bluetooth in saloon
- 2 stereo speakers

Galley

- Stainless steel sink
- Mixing tap
- Combination microwave / grill
- 3-zone induction cooktop

- Extractor hood
- Cordless vacuum cleaner and charging station
- Galley worktop in Laminam
- Twin drawer stainless steel fridge (150L / 40 US Gal)
- Waste bin
- Electric storage
- Storage drawers and cupboards
- Natural hardwood oak flooring

Master stateroom

- Independent access via private stairway
- Double bed 198 x 160 cm / 6'5" x 5'2"
- 2 reading lamps
- Bedside tables with storage
- Walk-in closet with shelving
- 2 storage cabinet
- Sofa
- Panoramic side windows with blinds, sheers and opening ports
- Removable carpet set
- AC and USB plugs
- En suite bathroom with dual access via pocket doors
- Corian countertops and washbasin
- Soap dispenser & toothbrush holder
- Separate shower compartment
- Freshwater electric toilets
- Extractor fan
- AC plug
- Opening port

VIP stateroom

- Double bed 204 x 156 cm / 6'8" x 5'1" convertible into 2 single berths
- 2 reading lamps
- Large closet with shelving
- Dressing table with mirror and stool
- Panoramic side windows with blinds, sheers and opening ports
- Overhead skylight with opening hatch with shade / insect screen
- Removable carpet set
- AC and USB plugs
- En suite bathroom
- Corian countertops and washbasin
- Soap dispenser & toothbrush holder
- Separate shower compartment
- Freshwater electric toilets
- Extractor fan
- AC plug
- Opening port

Guest stateroom

- 2 single berths 194 x 63 cm / 6'4" x 2'4" convertible in double berth
- Reading lamp
- Bedside table with storage
- Large closet with shelving
- Panoramic side windows with blinds, sheers and opening ports
- Removable carpet set
- AC and USB plugs

Crew Accommodation - option

- Single berth 198 x 81 cm / 6'5" x 2'7"
- Storage closet
- Separate bathroom with toilet, washbasin and shower
- Panoramic side windows with blinds, sheers and opening ports
- Crew door access from bathing platform

Propulsion

- **Propulsion - ZEUS Drive**
- Electronic power steering
- Electronic engine controls and throttles at each helm
- Joystick system for ZEUS
- Skyhook Digital Anchoring
- Autopilot
- Bronze seawater strainers
- Forced air ventilation system for engine room

Electrical system

- Battery bank 24V - Engine 120 A/h
- Battery bank 24V - House 420 A/h
- Battery bank crossover switch at helm
- Ship Control - Monitoring and control system connected to each MFD screen with dedicated 5" screen at entry
- Seanapps: connected box + mobile application for monitoring safety, navigation data, maintenance and comfort on board
- Tactile graphic display for battery levels, AC sources, lighting and tank levels
- Remote battery switches
- Centralized distribution and breaker boxes for AC and DC systems
- AC shore power system
- Twin battery chargers 2 x 40A - 24V
- LED interior and exterior lighting with dimmer switches
- AC plugs in each cabin and in the galley and saloon

Fuel system

- 2 fuel tanks (aluminum) with interconnection valves 2200L / 581 US Gal
- Fuel fills to port and starboard with crossover valve
- Remote shut-off valves in aft companionway

Water system

- Freshwater tanks 760L / 201 US Gal
- Hot water heater 60L / 16 US Gal
- Freshwater pressure pump
- Grey water sump pump with automatic discharge
- Holding tank 170L / 45 US Gal
- Holding tank vent filters
- Overboard discharge pumps for holding tanks with macerator function and deck pump-out
- 4 Automatic bilge pumps with high water alarm
- Manual bilge pump

Systems

- Chilled water air conditioning Mediterranean - 72,000 BTU
- Generator 11KVA 220V / 50HZ
- Automatic fire extinguishers in engine room with control at each helm (Novac 1230)

Construction

- Infused GRP hull with longitudinal infused stringers
- Infused GRP deck with counter molding
- Isophthalic gelcoat
- Osmosis barrier

Additional standard equipment

- User and Owner's manuals
- Captain's briefcase with set of manuals
- Factory preparation and launching

North american specifications

- Chilled water air conditioning incorporating reverse cycle heating 72,000 BTU
- 13.5Kw generator with underwater silent exhaust
- AGM Gel batteries bank upgrade
- Galvanic Isolator
- Cathodic bonding system with dedicated anodes
- Additional waste holding tank 88L / 23 US Gal
